Two-Speed Car & Landing Door

Introducing our integrated door system — designed to reduce landing door needs and simplify residential elevator installation. These fully automatic doors ensure effortless entry and exit for all passengers. Available as complete car and landing door packages, they provide a streamlined solution for your home elevator.

Shown with glass panels and a Dream Cabin.

Designed to Reduce Landing Door Needs and Simplify Residential Elevator Installation.

Key Features

- ✔ **Fully Automatic Operation:** Enjoy effortless and convenient access with smooth power-operated doors.
- ✔ **Advanced Safety:** Equipped with safety light curtains for enhanced passenger protection.
- ✔ **Quiet Performance:** Features low-noise motor technology, ensuring a quiet and comfortable experience within your home.
- ✔ **Extensive Finish Options:** Customize your landing door with a wide range of choices, including glass panels and elegant stainless steel variants.
- ✔ **Modern Aesthetic Appeal:** An ideal pairing for contemporary interiors, especially complementing designs with steel and glass elevator cars.
